Bud-

Relet 6/22:

Whatever happened to your request of Jimmy that he supply certain information and his promise to do so wither when you resigned or when sixth circuit ruled?

I do not believe that were he to respond he would be truthful.

But why not give him a chance to

be truthful, or

lie and help if there is dirty-works or

refuse?

Jimmy is an ingrate but he could not have done Jim a bigger favor.

Sincerely,
